

LuneOS - Bug # 705: Gesture back-swipe has no effect on app.

Status:	Closed	Priority:	Release Blocker
Author:	Eli Hekel	Category:	UI
Created:	10/29/2014	Assignee:	Simon Busch
Updated:	10/31/2014	Due date:	
Description:	When back-swiping on the gesture area, animation plays, but it has no effect on the app. This is in staging 27 for Black Eye on Mako. Will be happy to add any logs necessary.
